LOST DOG

“FENDER”

LAST SEEN AROUND ROAD 5 ~ POWELL

307.250.2672 • 307.250.4870

His name is *Fender* and should come when called if he hears it. He is a border collie / lab mix, 13 years old so his hearing and sight are a little off. VERY gentle and loves to be pet. *He was last seen around the Rd 5 turn to the McCullough Peaks.* We are hoping he is in the farm country and not lost in the peaks. We have been searching them every day but it is hard to search the farms.
